

Ashland Independent District Facilities Plan
Local/State Public Hearing
May 30, 2012
Ashland Independent School District Central Office Board Room

Hearing Officer: Lisa Henson

In attendance: Lisa Henson, Janice Ledford, & Debbie Gaines.

Recorder: Cheryl Salyer

Lisa Henson called the Public Hearing to order. Ms. Henson stated the purpose of the proceeding and guidelines of the Hearing.

Lisa Henson reviewed the facilities plan. The original plan was adopted in June 2010. The committee was reconvened to update the status on Hatcher Elementary from transitional to permanent. It now houses the AISD Central Office and the Head Start program. The old Central Office at 1420 Central Avenue is changing from permanent to surplus with the intention of selling the building. Additionally a gym has been added to each elementary structure. Currently the gym also serves as a cafeteria. Life safety work has been added to Verity Middle School.

No written testimony in letter or email was submitted. Oral testimony opportunities were given. The record reflects there was none offered.

Lisa Henson adjourned the meeting.
